

Join the Idaho Child Fatality Review Team

We are currently accepting applications for the roles listed below. We seek a diverse group of professionals from communities across Idaho who can contribute their specialized knowledge, experience, and perspective within their professional scope.

Participation on this multidisciplinary, invite-only team requires:

- A minimum two-year commitment
- Attendance and active participation in one full-day meeting each month
- Thoughtful contributions to case reviews and team discussions
- Assistance with reports, recommendations, and other projects or tasks as needs arise
- A commitment to respectful collaboration, confidentiality, and the shared goal of preventing future child deaths

Interested candidates should submit a current résumé and letter of interest describing their relevant expertise, professional perspective, and interest in serving on the team. Email these items to Mindy at IDCARTF@gmail.com with subject line: Interest in serving on CFRT.

We have the following team needs:

Emergency Medical Services (EMS) Representative

Fire Department Representative

School District/Educator Representative
